**I. Kristen Rahn Loan**

Kristen Rahn remotely joined the meeting. She had the appraisal results of the two homes which she owns in Red Bud. The appraisals do not cover the full amount of the requested loan. Rahn offered to pay down the outstanding loans on the homes. Rheinecker questioned why Rahn had not followed through with Nevois on what it would cost to do the work Rahn is proposing. Rahn said she did not want to contact individual contractors unless there was a path forward to completion. Rheinecker said this project has been drug on for a long time. After the motion Rahn clarified that she would not be able to use any of the loan funds to pay off the current \$185,000 building partnership. Rheinecker said that was correct. The loan funds are for building improvements only. Rahn said she felt like she had jumped through the hoops and spent money on the appraisals as well as other ongoing expenses. She will have to take a hard look to see whether to move forward.

*Recommendation made by Committee Chairman Rheinecker, seconded by Committee Chairman Nevois, to approve allowing Kristen Rahn to have sixty days from the February 3, 2025, council meeting to provide the city with the first mortgage on all three properties and if the city does not receive the first mortgages within that sixty-day period, then the full agreement is void. In addition to that, if the city does wind up approving the loan once the three property first mortgages are received, the loan funds will only be used on building improvements, no other items, and money will only be given out after receiving a contractor's invoice. Carried*
