**B. Rate for Investments**

Finance Officer Liz Cowell recommended investing \$350,000 of City Hall, Code and Planning Funds in Illinois Funds Investment Pool Fund. The rate changes daily, is completely liquid and the rates are higher than those offered at the local

banks. The funds are not FDIC protected, but all funds are collateralized by the other funds in the pool, with everyone sharing equal risks.

***Recommendation made by Committee Chairman Nevois, seconded by Committee Member Rheinecker, to approve authorization to invest \$350,000 of the City Hall, Code and Planning Funds in Illinois Funds Investment Pool Fund. Carried***

**III. Financial Dashboard**

Chairman Nevois reviewed the financial summary. The budget is at 33% of the year, the revenue is right on budget and does not reflect any real estate taxes at this point, while expenses are 21% below the budget.

**IV. FY'24 Audit Results**

Liz Cowell reported that Fick, Eggemeyer & Williamson sent a summary audit letter, correcting the decrease in sales and use tax from \$263,000 to \$58,000. The auditors also recommended that the city include Motor Fuel Tax funds in the budget, which has never been done, due to IDOT having complete control over the spending of MFT funds and their own budget and auditing process. The FY'24 excess is around \$778,000. Mayor Harbaugh thanked Ms. Cowell for all her hard work in accomplishing the unmodified and highest opinion letter.

***Recommendation made by Committee Chairman Nevois, seconded by Committee Member Hanebutt, to approve authorization to accept the FY'24 Audit Report from Fick, Eggemeyer & Williamson. Carried***
