II. Dog Park Proposal (Presentation by UltraSite)

Mike Moll and Mandy Creek, UltraSite representatives, presented a proposal for a dog park at the newly donated land at Lincoln Park. The estimated budget for the project for Phase 1 is \$41,120 plus utilities and lime trail, of which UltraSite would donate \$34,620 and the city's portion is estimated to be \$6,500 plus utilities and lime trail. UltraSite's team would work on fund raising to cover the city's portion and the plan is to start the funding raising this fall. There is also a plan for a Phase 2 and Phase 3 addition. Committee Member DeMond said that The Red Bud Community Foundation has an interest in supporting this project. Placement of the dog park was discussed. The land is currently being farmed. Jeff Mueller suggested adding the water to Phase 1 since there is already water ran to the old Musket practice field.

Recommendation made by Committee Chairman Donjon, seconded by Committee Member Nevois to move forward with the proposal from UltraSite for the dog park, with adjustments, as needed. Carried
