Old Business

I. Pool Post Season Plan

Superintendent Eckart updated the committee on a new pump house building and moving a new filter/pump above ground. Eckart said that these would require IDPH permits and possible additional work on all piping, new gutters, etc. This work would be due to turnover rate of pool and getting that within current guidelines. After conversations with Landmark Aquatic, these costs could be $500,000 or more. Eckart is trying to get it in writing that by just doing pipe replacement, that IDPH would not need to be involved. Eckart provided a breakdown including deck drains piping, supply line piping, deck drains supply lines, and concrete removal @$43,766; filter room piping @$49,970; pool painting @$25,000; totaling $118,736. No action taken, pending written reply from IDPH. Move to November 3, 2025, council agenda for further discussion.

New Business
